Miniature MONKEY

About the tiniest monkey you will see. You can hold it in your hand, yet it is healthy and so intelligent it is almost human. Eats ordinary foods. Clean and lovable.

This is our way of getting acquainted. Everyone who has received such a wonderful tiny dog or live miniature monkey is simply "crazy" about their pet... wouldn't part with it for the world. I'll be happy to send you ENTIRELY AT MY EXPENSE, your choice of this alert, lovable, young Miniature Dog or Miniature Monkey. Simply send in your entry and hand out only twenty get-acquainted coupons to friends or relatives and help me get that many new customers as per our premium letter. I enjoy my own tiny, lively, miniature pet so much. It is such wonderful company that I'm sure you'll simply love one yourself.

Miniature DOG Think of having such an unusual pet. This lovable, young, miniature DOG is so tiny you can carry it in your pocket or hold it in one hand, yet it barks and is a reliable watch dog as well as a pal... active, healthy, intelligent and clean.

Please send me your favorite snapshot, photo or Kodak picture when sending your names of the objects. We will make you a beautiful 5x7 inch enlargement in a handsome "Miniature" frame and YOU CAN TELL YOUR FRIENDS about our bargain, hand color enlargements when handing out the get-acquainted coupons. Your original is returned with your enlargement and frame. Also include the COLOR OF HAIR AND EYES with your picture so I can also give you our bargain offer on a second enlargement artfully hand colored in oils for natural beauty, sparkle and life, like we have done for thousands of others.

The **NATIONAL AUDUBON SOCIETY** invites you to accept this fascinating **ALBUM SET** to introduce you and your family to an exciting new **NATURE HOBBY**

THE NATIONAL AUDUBON SOCIETY'S NEW Nature Program has captured the imagination of thousands of American boys and girls. Now you can discover the wonders of nature right in your own home—under the guidance of friendly, experienced naturalists.

As your introduction, please accept the \$2.00 Value Gift Package described above—for only ten cents. Just imagine! You get a magnificent set of 30 full-color photographs showing the most interesting, most unusual animal children of the wild—plus a fact-filled album in which to mount them—and an extra educational handbook on "Shells and Aquariums."

Here's how the Audubon Society's new Nature Hobby works. Each month a different "expedition" is planned, with a set of about 30 full-color prints in hand, together with a "500-word picture book" to which to mount them. Guided by wise, competent experts, you explore nature's closely-guarded secrets... learn the strange, almost unbelievable ways these animals raise their young... collect your own "treasure-trove" of album about water butterflies, beautifully-colored fish of the deep sea and animal children that all your naturalist guides open your eyes to the wonders you can discover right in your own backyard or nearby park.

Once you get acquainted with the Society's program, we feel sure you'll want to continue these monthly "adventures" for a while. Your whole family will look forward to each new Nature Program set, and take pleasure in enjoying it together. And the total cost is so very low—only \$1.00 for each album and series of pictures—plus a few cents shipping. But you assume no obligation when you send in a disk for your introductory package. You may discontinue your participation at any time. However, we urge you to send in your 10¢ sample package now, as quantities are limited. Mail the coupon today to: **The Audubon Society, National Program, Dept. P-C-C-2, Garden City, N.Y.**

HERE'S WHAT YOU GET—FOR ONLY A DIME!
30 FULL-COLOR PRINTS, showing "close ups" of these delightful, interesting Animal Children in native surroundings.

HANDSOME ALBUM in which to mount them, with fact-filled "500-word" "guide" by expert naturalists.

IN ADDITION, if you continue, you receive **FREE** a pull drawer case to store and protect your albums.

EXTRA FREE GIFT if you send coupon now:

"SHELLS AND AQUARIUMS"

How to recognize and collect shells is a first-order book, how to make beautiful jewelry from them. How to build, stock, care for and enjoy a home aquarium. Fully illustrated.
